

Appeal

Friends

You are well aware that the Association own victory in the Court of Law as justice was accorded by Hon'ble Judge Maharaj Sinha through his verdict passed on 7th February, 2011 in favour of the Association regarding status, service conditions, leave encashment benefit etc. But the Govt. of West Bengal moved to the Division Bench without implementing the said judgement and the Association has been compelled to defend in the High Court , Kolkata. But huge expenditure for prolonged legal suits and day to day regular expenses have made funds of the Association almost dry. So, the Extended Executive Committee in its meeting dated 7th October, 2012, unanimously decided that the College Librarians be requested to contribute preferably not below five thousand immediately to boost up funds of the Association to meet legal expenses. All the members are earnestly requested to respond to the appeal of the Executive Committee. You may deposit the said contribution in the name of Legal Aid Cell, WBCLA, S/B A/c no 1963000101212264, PNB, Garpar Br., Kolkata.
